

WEB DEVELOPER

Kislay Raj

PROFESSIONAL SUMMARY

With a background in science at the intermediate level and a Bachelor's degree in Computer Application (BCA). My primary expertise lies in HTML, CSS, and JavaScript, and I'm actively acquiring additional skills necessary for full-stack development.

EXPERIENCE

Academic Projects:

- Developed several websites as part of academic coursework, showcasing proficiency in HTML, CSS, and JavaScript.
- Applied responsive design principles to ensure optimal performance across different devices and screen sizes.

Self-Directed Projects

- Independently worked on personal projects to further enhance skills in web development.
- Implemented innovative features and experimented with new technologies to expand knowledge and expertise.
